RE: Case #: 4620990 –Steven Holland d/b/a Physical Therapy Clinic of Gulfport

Dear Mr. Barrett:

This letter is in response to your correspondence dated April 10, 2014. MultiPlan sent a formal written response to your previous letter on April 11, 2014. It appears our letters keep crossing in the mail, and that you did not have my letter at the time you drafted your correspondence dated April 10.

I would like to ask you to carefully review the letter that we sent to you on April 11, 2014. We did address the specific topics that were presented.

In your correspondence dated April 10, 2014, you specifically referenced Section 4.4 of the PHCS Participating Agreement, which states:

4.4 Identification and Eligibility – PHCS will require each Payor to furnish Covered Individuals with a means of identifying themselves to Participating Professional as covered under a contract for the provision of the health care services through a PHCS provider network. Such methods of identification may include, but are not limited to, (i) identification, cards that indicate an affiliation with PHCS, (ii) affixing the PHCS logo to identification cards, or (iii), a PHCS phone number identifier. In addition, PHCS will require each Payor to use its best efforts to provide the most current eligibility information available on the day of inquiry for those Covered Individuals for whom Payor maintains eligibility information.

Please note that this section specifically states "may include, but are not limited to."

Our position in this matter remains unchanged.

If you would like to discuss this matter further, please do not hesitate to contact me directly at (504)681-3481, otherwise, we expect your full cooperation.

Sincerely,

A handwritten signature in black ink that reads "Tanya C. Fissette".
